Notes: Tariffs/net prices on hourly basis valid for:

- 1- Works at Santos – normal-hour periods: MON-FRI 07:30/11:30 – 13:30/17:30 – SAT 07:30/11:30. Overtime/extra expedient + 50% - Sundays/Holidays + 100%. Charged hours include preparatory works, waiting time and transportation since leaving the workshop till return of workers. By the nature of repairs sometimes imposing continuous working jeopardizing the rest period of workers, such as round-the-clock and overnight extended period of works, the extended hours will be charged progressively as per the highest overtime rate of the periods worked. Also, after extended periods of works or travel, in order to follow the Art. 66 of CLT – Labour Law – assuring minimum rest period of 11 hours till a next normal working period, it will be charged the normal hours affecting the next normal working period. Travel hours ashore/plane – no profit – shall be charged as normal hours even at overtime periods.
- 2- Minimum daily charge = 8 hours. Minimum value for attendance / inspection = Net USD 500.00
* Minimum chargeable period for works out of Santos/voyage= 12 hours/day as per Union agreement.
- 3- Services during voyage or on different ports upon consultation with all further expenses on owners account. Daily fees per worker to apply for works out of Santos to cover expenses with accommodation / meals at Brazilian territory: USD 180.00. When accommodation on board, half of daily fees to apply as bonus to workers out of Santos. Air tickets and further arrangements shall be covered by owners/agents, or charged upon service invoice with additional factor K= 1,25 for administration/financial fee. Ashore transportation with service vehicle charged at USD 1,22/Km for cars and USD 1,85/Km for conventional light-trucks or depending on the place and special cases to be quoted apart.
- 4- Transportation for attendances at Santos close to workshop/port city-side= USD 45.00/voyage/normal. Transportation out of city, to private terminals, nearby Cubatão and Guarujá= USD 85.00/voyage/normal. After normal hours, besides the voyage fees, the driver to be charged on hourly basis. Launch services, Munck truck/cranes, dock company charges and any extra expenses when necessary to be covered by owners/agents or charged apart.
- 5- Materials and consumable items quoted/charged apart and invoiced with factor K=1,58.
- 6- Workshop and special repairs shall be quoted/charged apart.
- 7- ISS/CEC compulsory service tax & currency conversion tax 5% to add to net tariffs/prices quoted.
- 8- Warranty: for all services carried out valid till acceptance test & satisfaction report, limited to re-works till a new test, excluding parts and transportation that shall be always covered by owners. Warranty after satisfaction, for an extended time, only under special written agreement.
- 9- Payment terms: Std cash or irrevocable payment via agents max. 5 days. Credit subject to agreement.
